9. QUESTION: (INCLUDE SCENARIO IF NEEDED FOR CLARITY):

While doing research for a Fair Hearing, we came across these amended regs below:

(SAR) "Extended Filing Date" in a Semi-Annual Reporting system is by close of business on the first working day of the month following the Submit Month and is the final date by which the household must submit a complete mid-period report or recertification, including all required verification, without penalty of termination of eligibility or disallowance of deductions. 63-102(e)(5)(SAR)

We apply these rules for the SAR 7 but are unclear if they should also be applied at Recertification for a non-assistance CalFresh case.

10. REQUESTOR'S PROPOSED ANSWER:

Yes. As stated in the regulation above, the "Extended Filing Date" rule should be applied at mid-period report (SAR7) or Recertification.

11. STATE POLICY RESPONSE (CFPB USE ONLY):

The new SAR regs are up for review and have not been officially adopted yet. Until these regs are officially adopted the present rules regarding recertification filing dates apply. Given that, for SAR, the extended filing date is the first working day of the month following the submit month. That was true in QR and is still true in SAR. The new SAR regulations do not alter that.

As to recertifications, per ACL 12-25, Page 19: "All existing regulations relevant to... CalFresh recertifications at MPP Section 63-504.6 will continue to apply in the SAR system."
